Dry Creek Ward

Welcome and Video Presentation

<https://youtu.be/QaGSaaKX4qcU>

*“...To **gather and unite** God’s family requires more than just warm feelings. It requires **sacred covenants** made in connection with **priesthood ordinances**.*

Many of your ancestors did not receive those ordinances. But in the providence of God, ***you did.*** And God knew that you would feel drawn to your ancestors in love and that you would have the ***technology necessary*** to identify them. He also knew that you would live in a time when access to holy temples, where the ordinances can be performed, would be greater than ever in history. And He knew that He could trust you to accomplish this work in behalf of your ancestors.”

-- ***President Henry B. Eyring*** --

Notification

To improve recording accuracy and to remove patron wait time, the temple will no longer return cards after your temple visit. Instead, you will receive an e-mail notification to confirm that the ordinance was recorded.

Was a family name card created?
Did you see family name cards on your computer screen?

If yes, please verify that the cut cards are approximately 3.25 inches by 5 inches (8.25 cm by 12.7 cm).

If no, the PDF file may be in your browser download list, or on another tab or window, or there may have been an error.

For those who cannot print, write this Family Ordinance Request number down, and take it to the temple. Give it to temple workers, so they can print the cards for you.

On these walls are the names of some of those who died while living in Nauvoo between 1839 and 1846. There are others, we know not who or how many, as time has erased them from our records and our memories. Many of them were children and each of them had a story worth telling. We don't know all of their stories but we do know that they were loved and the Savior knows and loves each one.
